

Medicare Advantage Debit Card Accounts from WEX

Deliver an integrated, member-driven account experience.

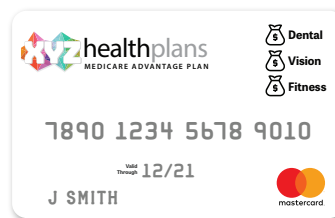

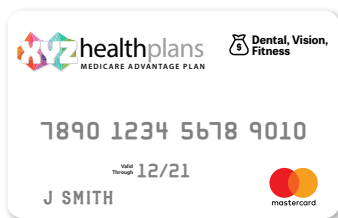

With a WEX Health Visa/Mastercard-powered account, members enjoy easy access to funds for supplemental benefits like dental, vision, hearing, fitness, chiropractic, acupuncture, groceries, over the counter, home services, etc.

The flexible card-based account is a valuable marketing tool that helps health plans acquire and retain members by allowing them to determine the value and importance of the benefits based on their individual needs.

Members enjoy the freedom to choose how and where to spend those supplemental dollars by simply swiping their card.

One Card, Flexible Account Options

Private-labeled and ready to use.

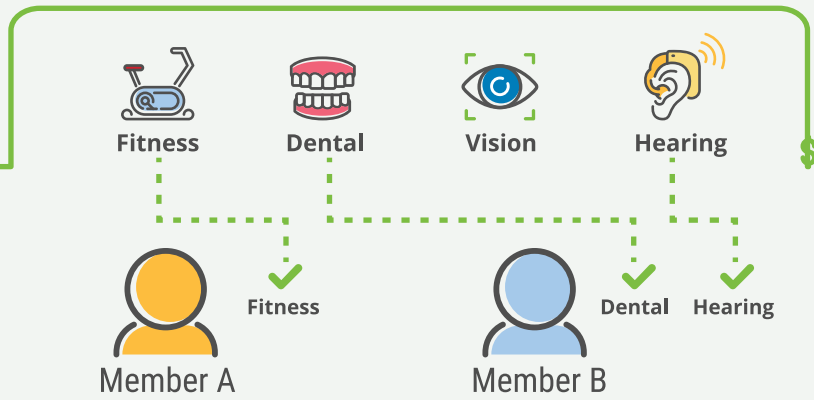

Pioneering Innovation

WEX Health is the first to market in providing debit card-based benefits to Medicare Advantage members. Allow us to leverage our expertise, experience and success with regional and national Partners to create a unique solution for your health plan and a personalized benefit for your members.

XYZ Health Plan chooses to offer members a **single purse** that can be used for fitness, dental, vision, and hearing.

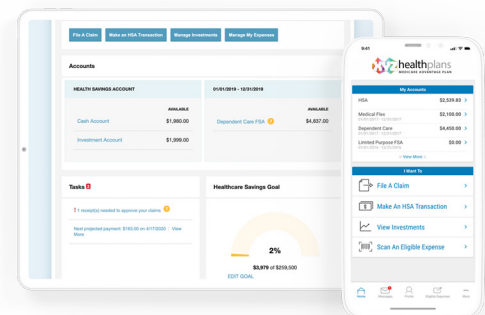

Health Plan Benefits

- Reloadable, private-labeled Visa/Mastercard that promotes your brand and stays with member
- Plan enjoys the goodwill associated with members spending the dollars.
- Flexible account configuration and spending controls can be applied at the segment and/or population level.
- Meets changing plan requirements from year to year
- Utilize data and analytics to increase personalized member engagement.
- Complete member reimbursement experience that can be integrated into existing health plan portal.
- Multiple service model options available

Member Benefits

- Member driven decisions – spend funds on services that mean the most to them
- Improve member satisfaction - seamless, simple experience for members to spend healthcare dollars on eligible expenses at point of service
- Member friendly single user experience – debit card, member portal, mobile app, customer service
- Members can access their real-time balances, see their transactions, report cards lost/stolen and request new cards via online portals, mobile app, IVR, health plan portal, and member services
